CAPABILITIES

Fox Medical Case Management - FMCM

- FMCM works with insurance carriers and self-insured employers to provide medical case management services for injured workers to get them back to gainful employment. FMCM provides Field Case Management, Telephonic, Catastrophic, Vocational Rehabilitation, Vocational Job Placement, and Physical Therapy Coordination.
- FMCM can also provide government review services such as Medicare Disability Set-asides (Medical Case Reviews) and Medical Peer Reviews (Independent Physician Reviews).
- FMCM also offers social and community development services such as Home Health Medical Case Management, Child Birth Education, Breast-Feeding Education, Sibling Preparation Education, and Elderly Care Medical Management/Advocacy (assisting elderly or others in need of private medical management through the gamut of available care/treatment/social services).
