SHUT OFF FEES

6.21.2023

A Customer of the Municipal Authority may request that the Water to their home be shut off at the Curb Stop for a full quarter to eliminate the cost of the normal billing. There will be a fee charged to the Customer of \$25.00 for Shutting Off the water and \$25.00 to turn it back On.

The invoice will be sent once the Water is turned back On.

Notice must be given to the Plant Operator at least a week prior to date of Shut-off and an approximate date to have the Water turned back On.
